Job Coach

Welcome to Joe Gallagher, Job Coach for Project SEARCH. Joe has jumped in with both feet and is fully immersed in the program. He began his duties on October 17. Joe is a long time resident of the Soldotna area. He recently retired from HEA where he worked for 15 years, the last three as Director of Member Services. He is very excited to be part of the Project SEARCH team. Cindy and the interns are all happy to have Joe as part of the team!
